

ARCHANGEL ZACHARIEL
B109 – MAGENTA/MID-TONE OLIVE
Born noon (12 pm) Tuesday 26th July 2011
First thoughts

Dear Friends,

Zachariel brings a new sense of hope and optimism and stimulates creativity. Where there has been a lack of confidence, a new confidence now ensues.

The birth of this Archangel is related to the presence of King Arthur and rules the solar aspect of ourselves whilst also working closely with Kuthumi, and thus was the inspiration for Pythagoras. The balancing of polarities so that a sense of unification may come about.

The hidden peace, the blue/blue (B2) confirms Zachariel as the Archangel of Peace and is also related to Tzadkiel (B99). Restores a sense of dignity where dignity has been lost.

In Egypt he was known as Amun. He provides a deep level of protection and harmony and presents us with a new vision, a vista for the times that are to come.

This Archangel supports symmetry and harmony both in geometry and in our own thoughts and development. He may assist in bringing the emotions of harmony and balance back and to clarify the thoughts where there has been confusion. Thus he brings the possibility to balance the functions of the brain that have been out of balance - a sense of re-ordering.

There is also a synonymity with Jupiter and Zeus, providing expansion, creativity and re-unification, to stimulate the helio-centric point of view. This brings the possibility to honour the present moment as an access to the

eternal. To enter the 'here and now' with a sense of optimism based in intuition – inner tuition.

With Love & Light
